Updated: January 2022.

## General

StarSD strives to ensure that its services are accessible to people with disabilities. StarSD has invested a significant amount of resources to help ensure that its website is made easier to use and more accessible for people with disabilities, with the strong belief that every person has the right to live with dignity, equality, comfort and independence.

## Accessibility on our website

StarSD website makes available the [Accessibility Widget](#) that is powered by a dedicated accessibility server. The software allows StarSD website to improve its compliance with the Web Content Accessibility Guidelines (WCAG 2.1).

## Enabling the Accessibility Menu

The StarSD website accessibility menu can be enabled either by hitting the tab key when the page first loads or by clicking the accessibility menu icon that appears on the right or left side of the page. After triggering the accessibility menu, please wait a moment for the accessibility menu to load in its entirety.

## Disclaimer

StarSD continues its efforts to constantly improve the accessibility of its site and services in the belief that it is our collective moral obligation to allow seamless, accessible and unhindered use also for those of us with disabilities.

In an ongoing effort to continually improve and remediate accessibility issues, we also regularly scan our website with an [Accessibility Scanner](#) to identify and fix every possible accessibility barrier on our site. Despite our efforts to make all pages and content on our website fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution.
